

Principal's Welcome Crockett Elementary

This year, Davy Crockett Elementary School will celebrate its 60th Anniversary. Crockett Elementary has a rich history of excellence and has been providing the children of Borger ISD a great education for six decades. We welcome you and your child to Davy Crockett Elementary School.

We're looking forward to the opportunity of having your child at Crockett this year. I attended Davy Crockett Elementary School as a child and it is a privilege for me to be back here as the Principal. We are excited about the 2019-2020 school year and have assembled a staff of highly qualified teachers who are dedicated to children of all backgrounds and abilities and who are committed to providing all children a quality education.

I want you to know that we value your child and understand the huge responsibility you have given to us by entrusting the education and safety of your child to our teachers and staff. We take that responsibility very seriously and promise that we will do our best to provide a quality education in the nurturing and safe environment your child deserves, and that you expect.

We are here to serve you. I want Davy Crockett Elementary School to be welcoming and open to you every day. We need you and look forward to working with you for the benefit of your child. If you ever have concerns that you do not feel are being addressed appropriately, please contact me and I will do my best to make that happen. It is our desire that your time at Crockett will be among the best experiences you and your child have during his or her school career.
